Dear Community Partners:

Christmas Hope for the Holidays is a community collaborative outreach offering hope to families in need in Rockdale county through the distribution of free toys and gifts. Our goal is to provide assistance to 500-600 families who are facing difficult life challenges during these days of financial crisis. Through the distribution of toys and other gifts, our ultimate goal is to inspire hope in the hearts of those who are hurting. The distribution of these toys and gifts will be located at the Rockdale County facility at 1400 Parker Road in Conyers.

This tremendous endeavor is impossible without the generosity of many community partners like you. Listed below are the items that we are seeking to have donated to our worthy cause. Please consider what you may be able to help provide:

- Financial donations
- New toys
- New clothes
- Gift cards for older teens

All donations are tax deductible according to IRS regulations. The non-profit tax id number for the Rockdale Coalition is 58-2336561.

Please consider assisting us in this tremendous community-wide outreach. If you need further information, please feel free to contact me at 770-761-9244 (office), 770-652-9579 (cell), or by email at rockdalefamilies@bellsouth.net.

With Gratitude,

Michael Hutcheson
